Marketing. Kari has been organizing files. Discussion on birthday party packages. Something for kids with summer birthdays. We can advertise on Facebook about it.

Discussion on the start time. Some people would like to see it stay at 7:00 pm. It is fun to watch the races under the lights. Some people like them starting at 6:00 so you can still see the cars when you come to the pits after the races.

Rock Pickers. When is a good time to do it? Sunday would be the best to get the most people to do it before the races. Everywhere in and around the track needs to be done.

Discussion on Sport Compacts. No one is opposed to the class. We are going to talk about it further at the next meeting. Discussion on a purse for the Sport Compacts.
